**ARPIN INTERNATIONAL GROUP OPENS
CUSTOMER SERVICE CENTER IN IRELAND**

Fifth International Office Expands Arpin's Customer Service Offerings in Europe

DUBLIN, IRELAND (April 30, 2009) - Arpin International Group, the worldwide household goods forwarder, has opened a customer service office in Ireland, on the outskirts of Dublin, which expands the company's presence in Europe.

"This is the first time a U.S.-based global removal company has opened a location in Ireland," said Peter Matischak, Director of Global Sales for Arpin Group, Inc. "This will provide a high degree of comfort to U.S. expatriates moving to and from the region."

In concert with Arpin's operations in the United States, Canada, the United Kingdom, Germany and Singapore, the new Irish branch immediately improves the company's ability to serve its client base in Europe with direct on-the-ground support and knowledge.

Dee Hulse, with 30 years of experience in the international moving business, is serving as the office director. She is assisted by Mary O'Brien, who has over 10 years of experience in international moving.

Driven by the company's growth in bookings, global expansion and its goal to continually enhance customer service, the Arpin Ireland office has been established to handle overseas moves and intra-European moving needs for its clients.

During the past several years, Arpin International Group has seen a period of rapid business growth. In response to customer needs, the company has added new service centers in major metropolitan areas around the world including New York, London, Frankfurt, Singapore, Toronto, Houston and now Dublin.
