Innovator Award

Recognizing best practices and innovation

The Innovator Award is presented to an individual, company or team that achieves real innovations and/or significant breakthroughs in at least one of the following areas:

- customer service
- empowering employees
- cutting red tape and/or making significant process improvements
- achieving results Canadians care about
- technology and/or transition to electronic information management
- promoting strong relationships with domestic and/or international partners
- demonstrating bottom-line savings or cost avoidance through operational, technological or systems improvements
- introduced innovation and/or creativity to the industry

This award recognizes achievements that can be seen by the whole moving industry.

How Does Someone Qualify?

The nominee should be a member of CAM who has achieved visible results in any or all of the above-listed categories.
