

Warehouse Manager – Brampton, ON

About Us

We are a growing organization with over 25 years in the relocation industry, and our team is packed with adaptable, committed individuals who live and breathe excellence. Our team is composed of diverse professionals dedicated to providing an outstanding moving experience to our corporate and private clientele. We are on a mission to expand our team with driven, enthusiastic employees who are ready to join an exhilarating industry! We are seeking to join our team.

What You Will Be Doing

- Wrapping, loading, and unloading of overseas containers
- Prepare shipments for shipping, load lift vans, crates and maintain a supply of such crates
- Supervise and oversee the handling of goods in the warehouse: receiving and shipping.
- Load air/LCL shipment onto freight trucks for export and unload incoming shipments from freight trucks
- Keep warehouse clear of clutter and ensure safety standards are maintained
- Ensure safe work practices are maintained by the local crew and anyone who enters the warehouse
- Maintain equipment inventory for local trucks and warehouse
- Inventory management for packing supplies: replenish when needed.
- Ensure customer's goods are stored safely and securely

What You Will Bring Along

- 3 - 5 years of moving experience required
- General knowledge relating to the moving industry
- Forklift experience and driver's license is a must
- Proficient spoken and written English
- Strong communication and inter-personal skills
- Self-starter and a team player
- Being willing to go on a job, as needed
- Organized, multi-tasker and a problem solver with a positive attitude

What Can We Offer You for All Your Hard Work?

- Group Benefits including extended health and dental
- Paid time off - Vacation and Sick Days
- Discounted Storage & Packing Materials
